ABOUT

MICHAEL VINCENT ACADEMY is a leading makeup artistry school providing an array of fashion forward techniques and practices through course instruction, located downtown in the heart of LA.

Founded by Famous Photographer Michael Vincent and his wife Tal B Vincent; previous performing artist, makeup artist, and actress. The **MICHAEL VINCENT ACADEMY**- School of Makeup Artistry was founded in 2013, opening it's first location in Hollywood California.

MVA is known for the 4-week Professional Makeup course, designed to teach the fundamentals and techniques, while also providing a well-rounded education in professional makeup artistry. MVA is also praised for its #1 voted affiliate program, where students are able to take their skills and work on live sets with celebrities.

MVA offers large and brightly lit classrooms, and top notch curriculum. Each class accommodates up to ten students per classroom.

BUSINESS AND BEAUTY

Students take their business skills to the next level, as they prepare for exciting careers in the beauty industry. Students learn to implement marketing plans, enhance their networking skills and create professional portfolios. Our Beauty Business course is a comprehensive curriculum that prepares students to identify, implement, and solve management issues within the beauty industry.

This program offers students both theoretical and practical foundations in the discipline, including interactive demonstrations and hands-on applications in retail business management. For those who are prepared to start their professional career, this is the course for you. You will learn to take your talents and turn them into a professional business.

5 REASONS TO BECOME A MAKEUP ARTIST

EARN MONEY WHEREVER YOU ARE IN THE WORLD

Have the freedom to earn money wherever you are in the world. You can create or partake in work wherever you live or travel to.

LOW START UP COST

Unlike other businesses that can cost hundreds of thousands of dollars to simply start up. Creating your very own professional makeup artistry business can be done on the smallest of budgets, and you can build upon it, to an empire. The possibilities can be endless.

DEMAND

Just think about the possibilities, every magazine, television show, newspaper, movie, beauty contestants celebrities and more. Everyone uses the services of professional makeup artist.

TRAVEL

As a professional Makeup Artist you could enjoy the opportunity of traveling around the globe with clients, on-set or for events.

GREAT INCOME

As a Professional Makeup Artist YOU decide how much you think your time is worth. There is stability in jobs like a makeup counter that offer benefits, and freelance opportunities that can pay thousands of dollars a day!
